Woodbridge is a historic market town on the beautiful Deben estuary, with a good range of shops, antique outlets and a number of local **cafes and pubs**. The Tide Mill, just up the river from the station, is one of the few remaining in the country. The huge wooden wheel turns most days when the tides are right. Currently, it is planned to have a milling demonstration at 3 pm on the 28th July.

The coach will leave from Royal Plain, Lowestoft, at 8:00 am and pick up at the following points, at the times shown (all times are approximate; please be there before the expected time, as the coach will not be able to wait for latecomers): Oulton Broad North Station (8:05); Flying Dutchman PH (8:10); Carlton Crown PH (8:10); Barnby Garden Centre (8:15); Kempton Cross (8:20); Hipperson Close (old Ingate Garage) (8:20); Peddars Lane, nr Durrants (8:25); Blythburgh (8:45), Darsham (8:55).

The coach will be departing from Woodbridge at 5 pm.

Cost: **£15** per person (refunds will be at the discretion of the organisers). Please send cheques, (made payable to 'The Ramblers' Association Waveney Group'), to Chris *as soon as possible*. Further information about the walks can be obtained from Chris on 01502 714812.
