The walk starts from St Andrew's village hall where there is limited street parking and plenty more by arrangement with the hall. There are a couple of parking places opposite the Methodist Chapel - see map.

This route visits seven commons in the Ilketshall St. Andrew area. A local trust is maintaining this open-access land and mowing the perimeter paths - award a gold star!

The commons are:
* Great Common
* Holden's Common also known as Godfrey's Common
* Took's Common
* Little Common
* Peardyke Common
* Blacksmith's Common
* Shipmeadow common - the route passes but does not enter.

This is a good beginner's walk as it can be shortened quite easily.
