

# Waveney Ramblers Bungay 1 Inner Outney

OS Map: OL40 Track: [TM 33151 90085](#) [GPX for SatNav](#) 0.4 to 8 Miles Updated: 2018

Welcome to this guide for walks around Bungay.

Waveney Ramblers tries to stay on rights of way and to keep safe. These maps are a "best effort" to document our routes but there may be errors, especially if paths have not been reinstated or signposted. Local conditions change from day to day, with the weather and with the seasons. Paths get diverted or closed. A safe walk today could become unsafe tomorrow. So please rely on your own common sense. Use these guides as a starting point and not as Biblical authority. As always the main danger is road traffic.

## OUTNEY COMMON WALKS

Meet at the car park close to the golf club, Outney Common, Bungay.

There are several walks ranging from 0.4 to 8 miles by combining loops.

Some stretches run close to the golf course so look out for flying balls. After sunset, the golfers go home and this opens up many more possibilities. The area is particularly attractive under a waxing or full moon. The "Lows" can flood in wet winters blocking the SW areas and river path. The walks can be combined in various ways. Here are a few possibilities.

1) The Lake - 0.4 miles.

Walk round the lake and return to the car park.

2) The Inner Circle - 2.2 miles.

Walk round the golf course staying close to, but not on, the fairways, only once, crossing the path of the path of the golfers.

3) The Middle Circle - 2.5 Miles.

This follows the perimeter of Outney common excluding the NE cattle meadows.

South and SW, and follow the course of the Waveney.

North and NE, follow the boundary between the public areas and the cattle meadows.

4) The River Path - 3.3 Miles.

Head NE from the car park. Head past the lake.

Pass the campsite perimeter NW then north. Head north then NE across the meadows.

Cross one footbridge and head to the river but don't cross.

Turn left, NW, and follow the riverside path all the way round the common.

There are several gates, stiles and bridges with mud or flooding in wet seasons.

All three loops combine to eight miles.

The GPX download includes two more loops combining the routes in different ways.

Bungay has a museum, shops, cafes, pubs and a theatre. The historic area are interesting.
