# **Walks Programme**

***1st July to 31st October 2020***

The Ramblers is a registered charity (England & Wales no. 1093577, Scotland no. SC039799) and a company limited by guarantee, registered in England & Wales (no. 4458492). Registered office: 2nd Floor, Camelford House, 87-90 Albert Embankment, London SE1 7TW.

## Coronavirus Restrictions

At the time of publication, this Walks Programme is under restriction from Government social distancing rules and Ramblers' own limitations, in the interests of personal and national safety, to stop the spread of the Covid-19 virus. We have produced this limited Walks Programme, so that we will have the base to build on when we are finally allowed to continue with our Group walks.

Ramblers have approved an increase to the size of group walks in England and Wales. For the time being, the group size can now be a maximum of **30 people**. **That is, walk leader plus 29 others, though leaders may reduce this number.**

If you wish to join a walk, please contact the leader and register your interest. It is a 'first come first served' basis, so please allow for others to have a chance and perhaps go onto a waiting list after you get on a couple of walks. **Until further notice, these walks are for Waveney Group members only.**

There will, no doubt, be further updates to the restrictions; hopefully, in the form of relaxation of numbers allowed in groups. I will keep the Group informed as best I can, and update this Programme as and when required, but the best way to keep up with the latest changes is to go onto the Group website at:

[www.waveneyramblers.org.uk](http://www.waveneyramblers.org.uk)

There will also be up-to-date general information on Ramblers' national site at:

[www.ramblers.org.uk](http://www.ramblers.org.uk)

If your mobile has the **QR** code reader app, you can click on the codes below:

**Waveney

**Ramblers'  
national**

If you don't have access to the internet, you are advised to ask a friend or family member who does, in order to obtain the latest news updates.

Please keep in touch with the latest government advice, in case of a spike in virus numbers, nationally or locally, as further restrictions may come into place overnight.

**Walk leaders, of course, have the right to change or cancel their walks, in the interest of group or personal safety.** Also to add walks to the Programme, if and when desired.

Any number of group walks may occur on the same day and time but not from the same place. You can also walk in a group off the Programme but, if it isn't registered with Ramblers, it will not be covered by Ramblers Insurance.

**Good luck and stay safe.**

## SPECIAL EVENTS IN THIS PROGRAMME
