Walks Programme

1st November 2020 to 28th February 2021

Coronavirus Restrictions

At the time of publication, this Walks Programme is under restriction from Government social distancing rules and Ramblers' own limitations, in the interests of personal and national safety, to stop the spread of the Covid-19 virus. We have produced this limited Walks Programme, so that we will have the base to build on when we are finally allowed to continue with our Group walks.

For now, the group size can be a **maximum of 30 people. That is, one walk leader plus 29 others, though, leaders may indicate a lower number.**

If you wish to join a walk, please contact the leader and register your interest. It is a 'first come first served' basis, so please allow for others to have a chance and perhaps go onto a waiting list after you get on a couple of walks. Until further notice, these walks are for **Waveney Group members only**, unless otherwise stated as **'all comers'**.

There will, no doubt, be further updates to the restrictions; hopefully, in the form of improvements. I will keep the Group informed as best I can, and update this Programme as and when required, but the best way to keep up with the latest changes is to go onto the Group website at:

www.waveneyramblers.org.uk

There will also be up-to-date general information on Ramblers' national site at:

www.ramblers.org.uk

If your mobile has the **QR** code reader app, you can click on the codes below:

**Waveney
Ramblers**

**Ramblers'
national**

If you don't have access to the internet, you are advised to ask a friend or family member who does, in order to obtain the latest news updates. Please keep in touch with the latest government advice, as further restrictions may come into place overnight.

Walk leaders, of course, have the right to change or cancel their walks, in the interest of group or personal safety. Also to add walks to the Programme, if and when desired.

There is good news about a vaccine against the covid virus but it will obviously be some time before we will all get our jab. Until then it looks like we will need to be patient and put up with more restrictions to group walks for a while longer.

Good luck and stay safe.
