

Group Walks | Risk Assessment

Every walk is different, so complete a risk assessment for each one you lead to help you plan and make a note of the steps you are taking to keep walkers safe. After a walk, risk assessments should be stored for three years. Each walk leader can keep their own risk assessments, or groups can choose someone to look after them.

Have a great walk!

| Who is leading the walk? | | Name: | Group: |
|--------------------------|--|-------|--------|
|--------------------------|--|-------|--------|

| Dates (DD/MM/YY) | Walk: | Risk assessment: | Recce: |
|------------------|-------|------------------|--------|
|------------------|-------|------------------|--------|

| Hazards Make a note of any hazards to walkers or others on your route | | Precautions Tick the boxes that apply and add any others – you don't need to tick every box. | |
|---|--|--|--|
| Weather What is the forecasted weather? Is there any danger of extreme temperatures, heavy rainfall or other severe weather events? | | Check the weather forecast and postpone/cancel if necessary | |
| | | Advise walkers to bring suitable clothing and items for the conditions | |
| | | Make a note of 'escape routes' on the recce | |
