WALKS 22 to 42 - Volume 2 - Stowmarket to Gillingham and Beccles

In the 2024 July general election, the new Waveney Valley, UK Parliament Constituency, voted for the first time. This 168 mile circular walk starts from Beccles and goes clockwise approximately following the boundaries of the wards that form the constituency. By making 42 circular routes, the distance is about 345 miles. This walk revisits the historical tradition of "Beating the Bounds" by staying as close as possible to the constituency perimeter. The walks prioritise, safe, pleasant and interesting routes, proximity to the boundary of the Waveney Valley constituency, footpaths and unsurfaced tracks and country lanes. The walks aim to avoid traffic, "B" roads and "A" roads, last resort.
