WALKS 21 to 40 - Stowupland to Gillingham and Beccles

In the 2024 July general election, the new Waveney Valley, UK Parliament Constituency, voted for the first time.

This 155 mile circular walk starts from Beccles and goes clockwise approximately following the boundaries of the wards that form the constituency. By making 40 circular routes, the distance is about 333 miles. This walk revisits the historical tradition of "Beating the Bounds" by staying as close as possible to the perimeter.
