Waveney Ramblers Waveney Bounds Two 30 Shelfanger, Short Green and Winfarthing

Track: **TM 10611 84102** **GPX for SatNav** 7.2 Miles Updated: 2025-01

Large groups can book to park at the Village Hall, Shelfanger, Common Road.
There is a lay-by for one or two cars right by the hall.
At the disused airfield, the footpaths had not been reinstated.
To follow the correct line, steering a bearing or following a GPS track is recommended.

From the village hall, head NW along Common Road. Turn first left, south on a signed footpath.
After one field, turn right, west and NW, hedge left.
The path kinks right and left and continues west, hedge left.
Merge into Druid's Lane and head west, passing Westhall Farm.
Druid's Lane bends right, north, and joins Common Road.
At Common Road turn left, west, off the road into a driveway.
Head through a hedge gap the turn left, SW, diagonally across the field.
Head west, hedge left. Head SW, across the open field to Common Road.
Depending on the crop, it might be easier to zigzag along the left field perimeter.
Head south along Common Road, then first right, west, along Stone Lane.
Continue ahead, west, when Stone Lane bends left, south.
At Airfield Road, turn right, NE and head towards large barns / grain store.
At the entrance, turn right, east, on a signed footpath. Keep right close to the hedge, right.
Head east to the end of the woodland.
Turn left, NE, (35 degrees course) aiming for a tree in the third field.
Cross an old taxiway and continue on the same course to the next taxiway.
At the second taxiway, head 358 degrees, nearly due north to the third taxiway.
Aim for some concrete hard standing that had piles of stored material which may have been removed.
At the third taxiway, head 12 degrees, just east of north towards a barn and right of the house.
After the fourth taxiway continue on 12 degrees, just east of north to a hedge corner.
The right of way north of the pond was blocked. The exit from Kenninghall Lodge was also blocked.
A viable alternative is to head right, east, trees left.
Turn left, north, barn right. Head through a small wood, ditch left now back on the right of way.
Emerge from the wood and kink left and right, north, along a track, hedge both sides.
The track ends. Head roughly east between fields on scrubby grassland with little evidence of a path.
Follow the power poles. Continue roughly east on a farm access road.
Turn right, south, along Dog Lane. Turn first left, east, onto a footpath over an open field.
Continue east to High London Lane and cross over.
Follow the footpath, right, then left, east, lake right. Continue east hedge left.
Cross two open fields heading a little south of east, B1077, Short Green, left, but not too close.
At a hedge before Holly Farm, ignore the main path ahead and turn right, SW, hedge left.
Kink right, left, left, round a ditch to head SE, paddocks left.
Continue SE on a meandering path finally south.
At Back Lane, turn right, west. After one field, turn left, south, hedge left.
Turn right, SE, into the village hall grounds when the tall fence, left, ends.
Head SE to the village hall parking and out onto Common Road if you used the lay-by.
Turn right, NW, along Common Road to return to the lay-by.
