Waveney Ramblers Halesworth 2 Chediston

Track: **TM 35768 77760** **GPX for SatNav** 5 Miles Updated:

Start the walk from St Mary's Church, Chediston car park. Leave the car park along the track that you came in on. Cross the road onto the path opposite, go through a gate and continue straight ahead across pasture. When you reach a hedge, continue ahead with hedge on right. Cross a bridge and after about 40 yards turn right through a hedge and bear left to a gate. This is the first of five gates you will pass through as you go diagonally across several small pastures.

After the last gate you emerge into a large arable field. Go straight ahead and join the track to Chediston Hall Farm. (Ahead of you, in the distance, you can see Halesworth.) Skirt left around a large pond and bear right down the farm road. Just after a row of conifers, turn left along a track heading towards Halesworth. After about 350 yards, at the boundary of the second field on your left, turn left along a field-edge path and when you reach the end of the field on your left, turn left along a wide, grassy path towards Chediston Wood.

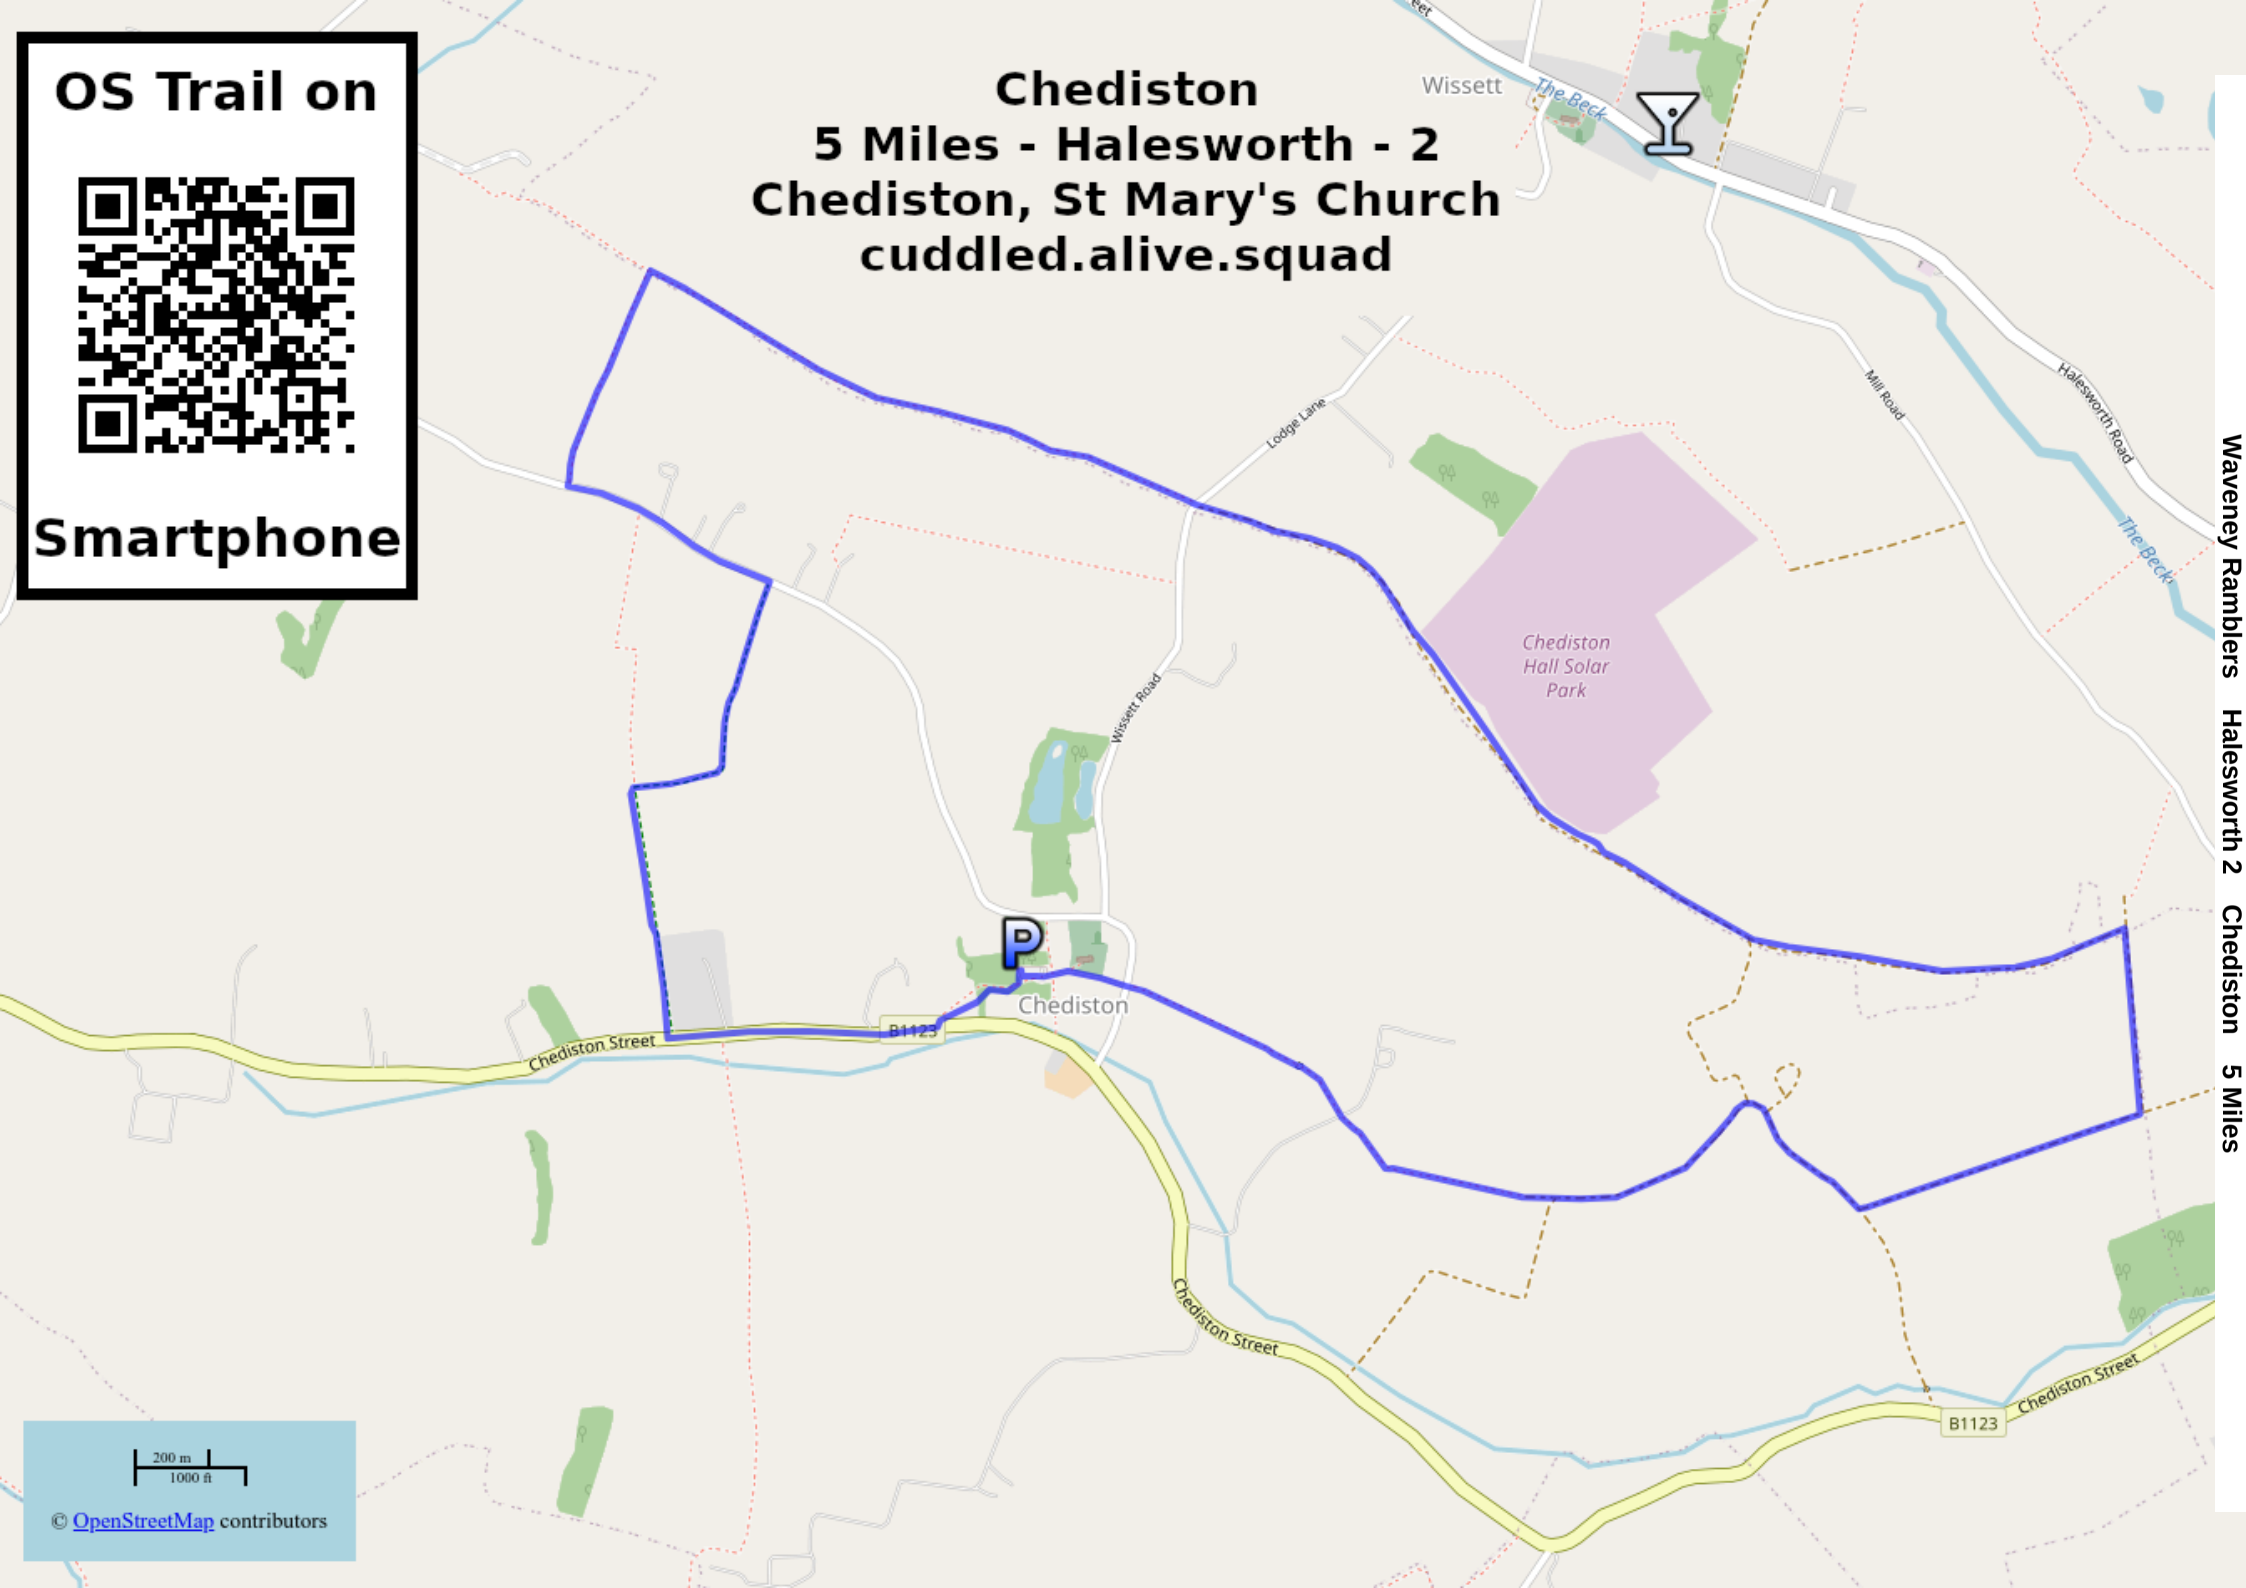

Keep going ahead for about 1.25 miles along field-edge paths, with the hedge on your left all the way, to reach a lane. Go straight ahead and continue in the same direction with the hedge still on your left. After about half-a-mile, at the end of the fourth field, turn left over a footbridge into a long, narrow meadow. Go ahead (hedge on right) to reach a road.

Turn left and after a quarter mile, after the second bungalow on your right, turn right onto a bridleway. Keep ahead (hedge on right) and enter a field. Bear right at a waymarker and pass a seat and hedge on your right. Continue to the end of the hedge line, then turn left down a field to reach the road, passing Packway Farm on the left.

Turn left along the road towards Chediston. When you are level with the drive to Packway Farm, walk along the grass on your right parallel with the road. When you reach a bungalow on your left, return to the road. Continue along the road for about 200 yards, then cross over onto a path through a hedge. Be careful that you don't miss the signpost concealed in the hedge! The post is about 100 yards before the "road narrows" sign.

Climb through a wooden fence and go diagonally right across a pasture, aiming to the left of some fenced trees on the right. Cross the stile into a small wood and go ahead back to the car park.
