

Waveney Ramblers Beccles 17 Ilketshall St Andrew Seven Commons

OS Map: X 231 Track: [TM 37816 86977](#) [GPX for SatNav](#) 5.6 Miles Updated: 2018

The walk starts from St Andrew's village hall where there is limited street parking and plenty more by arrangement with the hall. There are a couple of parking places opposite the Methodist Chapel - see map.

This route visits seven commons in the Ilketshall St. Andrew area. A local trust is maintaining this open-access land and mowing the perimeter paths - award a gold star!

The commons are:

- * Great Common
- * Holden's Common also known as Godfrey's Common
- * Took's Common
- * Little Common
- * Peardyke Common
- * Blacksmith's Common
- * Shipmeadow common - the route passes but does not enter.

This is a good beginner's walk as it can be shortened quite easily.
