Waveney Ramblers North Suffolk 0 Rural Rambles - North Suffolk

Track: **TM 21042 72368** **GPX for SatNav** Various Miles Updated:

This guide contains 20 walks located near Stradbroke, Eye, Worlingworth and Thorndon. If you include shorter versions of the walks there are actually 27 routes to follow. This area is on the western border of the Waveney Ramblers' group and on the eastern border the the Bury St. Edmunds Ramblers' group.

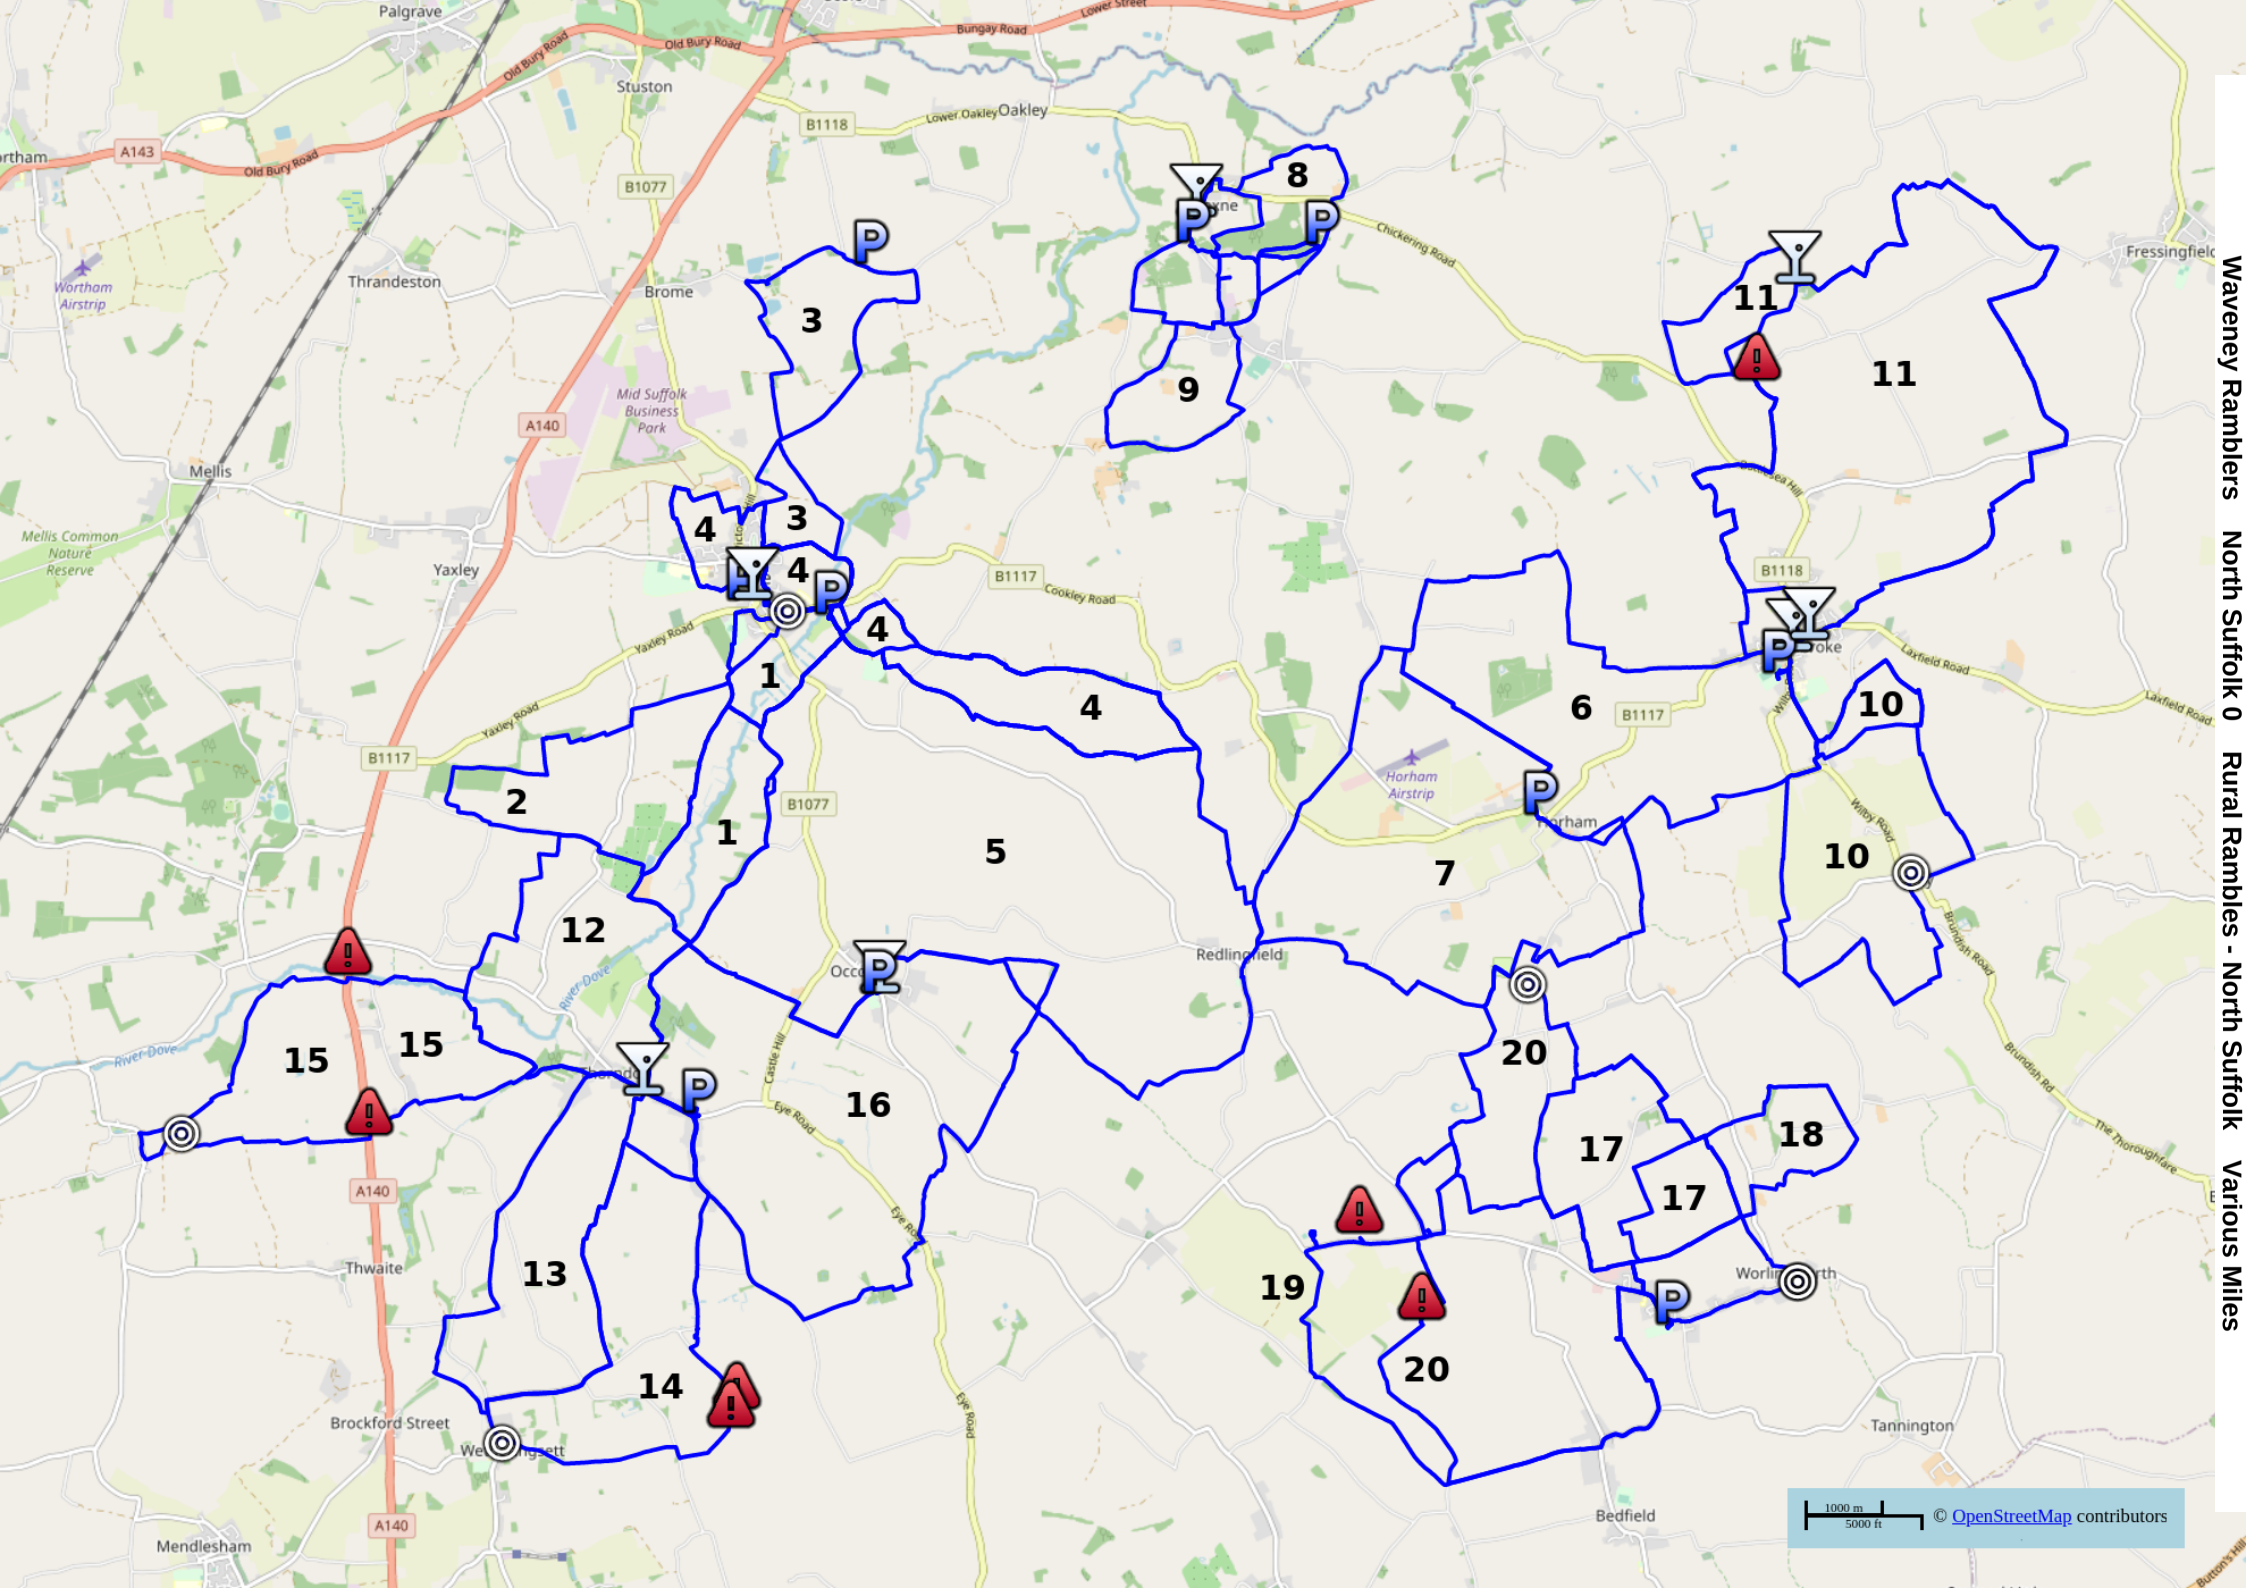

It's possible do download all the walks in a single GPX file compatible with Garmin handheld sat-nav devices. Each walk can be downloaded on its own. The walks have been shared on Wikiloc and it's possible to follow the tracks using their phone app for iPhone and Android.

Individual walks can be printed with the map on one side of the A4 sheet and the descriptive text on the other. This entire booklet can be printed. It has been designed for spiral binding or just use treasury tags. When the book is folded back on itself, the map in on one side and the descriptive text is on the reverse.

Many of the footpaths are well maintained. The area around Southolt was more problematic with missing footbridges. These are highlighted with hazard symbols on the maps. One walk crosses the busy A140 and this should not be attempted during busy times. The other risks are typical for rural walks with the occasional wobbly stile or narrow sleeper bridge. Look out for rabbit and badger holes.
