

# Waveney Ramblers    Guia de Isora 1    Guia de Isora Town

Track:    [GPX for SatNav](#)    2 Miles    Updated: 2020-01-15

This walk hardly merits a report. It totals two miles, ambling along the two main streets in Guia de Isora.

On the route there are several cafe / bar / restaurant establishments, a couple of pizza and chicken take-aways, one big supermarket and several little ones and a few other shops for furniture, electrical goods, computers, iron mongers and finally very few tourist tat shops. At the eastern end of the walk is the attractive bus station with no facilities and a well kept cemetery in classic Spanish style.

Even this walk has about 100 metres / 300 feet of ascent and descent.
